Circular- QCS/ APRIL2024/ 080

Dear Parents

Greetings!

We would like to apprise you about the importance of incorporating the Work Experience Manual into our curriculum. Through Work Ex. Manual we wish to help students develop practical skills they need to thrive in an increasingly interconnected and competitive world.

By aligning the manuals across these grade levels, we aim to provide students with a more cohesive and comprehensive learning spectrum. The manual is intrinsically designed and grouped as:

Level-1- Grade 1

Level -2- Grade 2

Level-3- Grade 3-5

Level-4- Grade 6-8

Having the same manual in multiple classes (Level wise) enables students to explore topics in greater depth.

Note: Parents of Grade 3,4 ,6 & 7 (Session 2023-24) can use the same manual for this session. Parents who have already purchased it can return and get the amount refunded (in case it is doubling of the same manual)

Regards

HOS
