Proposed Senior Secondary School, CBSE Pattern | Under the Management of Carmel Education Society (Regd.)

EPITOME OF LEARNING

Queen's Carmel School holds a state-of-art infrastructure with an air-conditioned building and entire school premises being under CCTV surveillance.

It holds the ethos of every child's uniqueness. Life at QCS revolves around our dedication to spreading intellectual growth, vibrant enrichment excellence, valued heritage, skill development and environmental awareness amongst our children and community.

QCS develops deep rooted firm foundations of values, heritage, futuristic aspirations, hope and optimism amongst its students.

Knowledge is power. Information is liberating. Education is the premise of progress, in every society, in every family.
- Kofi Annan

CHAIRMAN'S MESSAGE

Queen's Carmel School is a venue of transformation from the learning & memorizing world of teaching to the arena of engaging, exploring and creating where students groom as independent - minded and self-motivated thinking individuals. The consistent endeavour at QCS is to function as a 'thinking school' where academic infrastructure is designed with a blended approach of honing cultural values, heritage, soft-skills, personality traits, adaptation to ever changing real life scenarios with the development of scientific temperament, analytical attitude and critical thinking.

Education is not the learning of facts, but the training of minds to think.
- Albert Einstein

MESSAGE FROM H.O.S

As Head of School, I believe in a joyful teaching-learning process where teachers serve as facilitators to awaken joy, create opportunities for engagement, and engross students in active learning. QCS team's focus lies in navigating the Academic Enrichment Journey at QCS realizing every child's uniqueness. The school's curriculum combines skill-based learning, work experiences, PSPE (personal, social, physical, and emotional development), and community outreach programs to provide students with regular opportunities to analyze issues and propose solutions.

QCS ETHOS

We believe that every child is unique and has the potential. It is the quality education that focuses on cognitive, social, emotional, mental and physical development of each student irrespective of their gender, race, ethnicity, socio-economic status and geographic location.

QCS VISION

QCS holds a vision to raise a generation that will model global citizens and would train with the skills to face the challenges of tomorrow.

QCS MISSION

- Explore Inclination
- Nurture latent and potential talent
- Identify Dreams
- Develop Confidence
- Have 360° Growth
- Create multifaceted citizens to foster students in a holistic manner
“सर्वगुणसम्पन्न”

QCS PHILOSOPHY

The school holds the philosophy of an innovative and progressive approach to inspire learning in classrooms and beyond, grooming students as life-long learners.

OUR LEGACY

QCS Management holds an experience of more than three (3) decades in fostering, mentoring & running educational institutions of repute. The legacy of the Educational group follows as:

ACADEMIC JOURNEY

PEDAGOGY: EXPRESS, ENGAGE, EXPLORE

KINDERGARTEN PROGRAM

Pre-Nursery, Nursery & KG

PEDAGOGY: PLAYFUL, ENGAGING & ACTIVITY-BASED

At QCS, Pre-Primary level teaching is pursued in joyous & frolic ambience through the integrated use of Smart Class Audio-Visual Modules along with textbooks, TIE (Theatre In Education) and AIE (Art In Education) creating Happy Classrooms for our students to learn for life.

THE PRIMARY PROGRAM

GRADE I- GRADE V

PEDAGOGY:

DISCOVERY, DEMONSTRATIVE & INTERACTIVE

At Primary Level, kids are fostered with 21st Century skill of Critical Thinking, Communication, Collaboration & Creativity: through CBIL (Conceptual Based Integrated Learning), VBIL (Value Based Integrated Learning), Innovative activities, Vedic & Abacus Math, Reading Programme (D.E.A.R) and AIL (Art Integrated Learning).

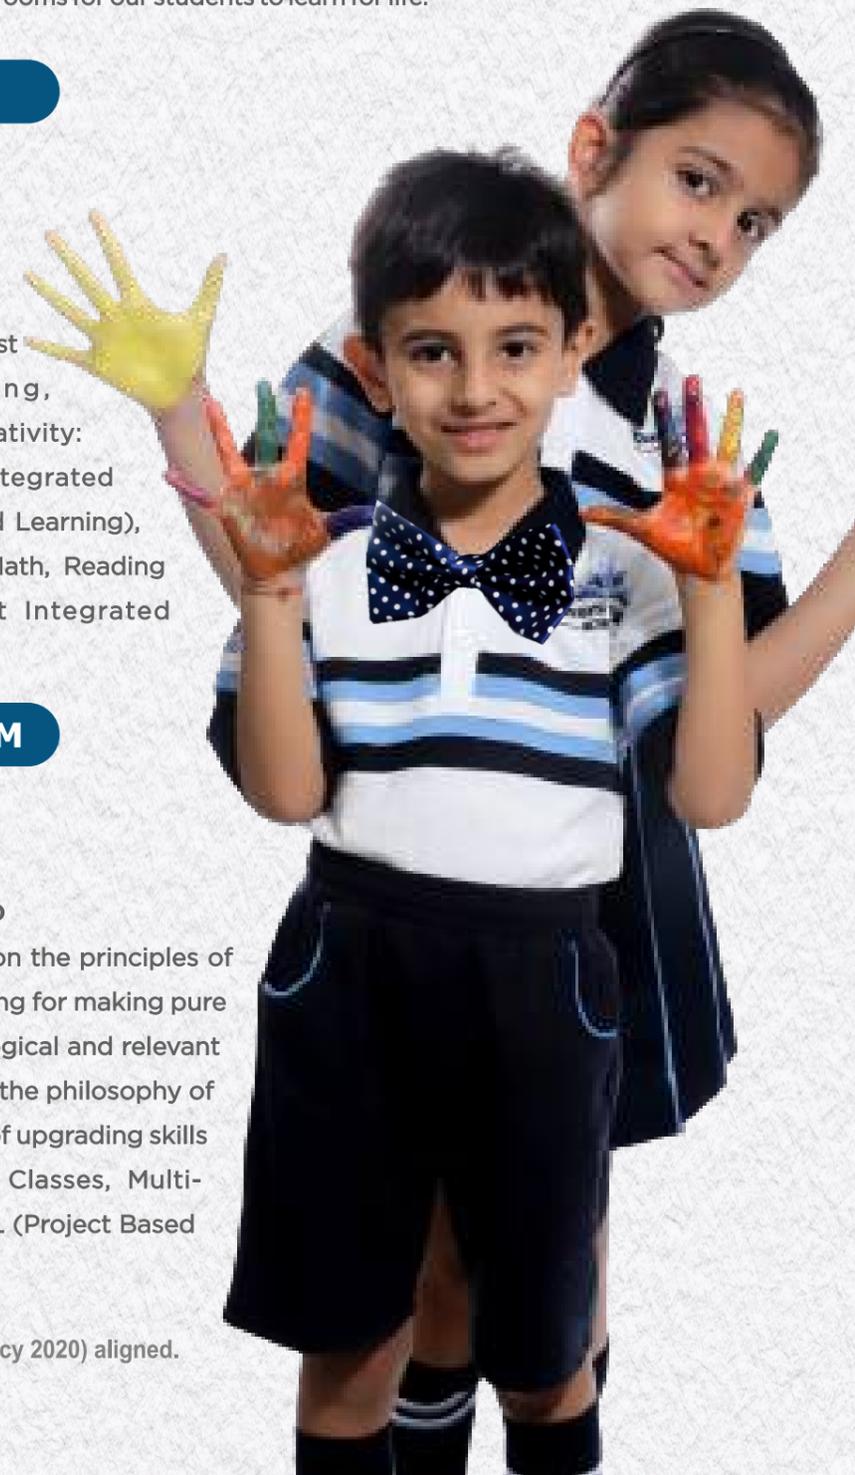

THE SECONDARY PROGRAM

GRADE VI-VIII

PEDAGOGY: RESEARCH ORIENTED, EXPERIENTIAL & APPLICATION - BASED

QCS Secondary Level Program focuses on the principles of Learning by doing and experiential learning for making pure science and other subjects interesting, logical and relevant to real life experiences. The school holds the philosophy of an innovative and progressive approach of upgrading skills through interactive Computer Smart Classes, Multi-directional group workshop method, PBL (Project Based Learning) & Concept Mapping.

Our Curriculum is NEP (National Education Policy 2020) aligned.

ACADEMIC CULTURE

SAFE CONDUCTIVE AND CARING ENVIRONMENT

ACTIVITY BASED LEARNING

HOLISTIC DEVELOPMENT

SMART CLASS (AUDIO VISUAL AID)

CONCEPT ORIENTED TEACHING

CHILD CENTRIC

ACADEMIC APPROACH KINDERGARTEN

Pedagogy- Kindergarten

Express, Engage & Explore

At QCS, we believe in providing young kids with a stimulating and joyful learning environment. It aims at laying the foundation for future learning through a variety of Playful, Engaging and Activity Based teaching techniques. We aim to develop important skills such as:

Communication

Dance
Music

Academic Approach Primary & Secondary

- CBSE and NCERT curriculum
- In-line with NEP
- Learning by doing
- LSDP- Life Skill Development Program
- CBIL- Concept Based Integrated Learning
- VBIL- Value Based Integrated Learning

Teaching Pedagogy Primary & Secondary

Our pedagogy for teaching Primary and Middle stage involves experiential and interactive learning, incorporating visuals and story-telling thereby developing creativity & inquisitiveness in our learners. The purpose of education is giving wisdom of knowledge to each individual student.

- INQUISITIVE
- DEMONSTRATIVE
- INTERACTIVE
- RESEARCH ORIENTED
- EXPERIENTIAL

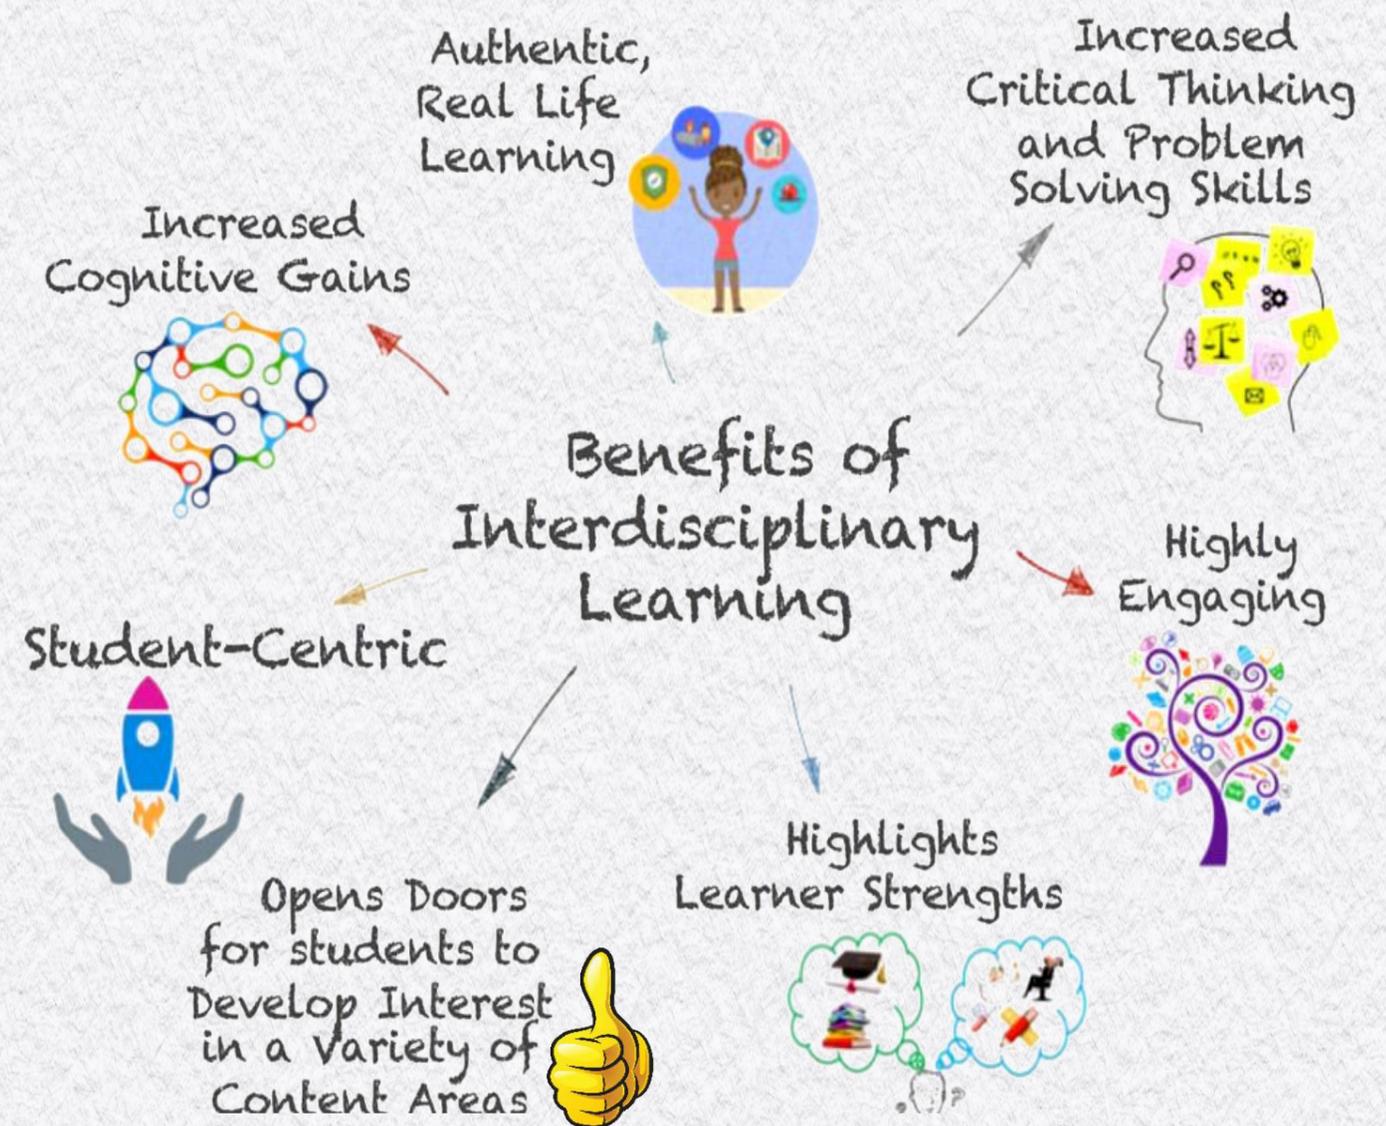

Classroom Environment

Our learning spaces are warm and welcoming that promote creativity & positivity. The classrooms are equipped with all 21st century learning needs.

INTERDISCIPLINARY LEARNING

At QCS, we prefer inter-disciplinary teaching approach as it provides students with the opportunity to explore and understand a topic from multiple perspectives and to see the connections between different disciplines. This helps students to develop critical, creative and reflective thinking skills.

Expanding Horizons

LSDP (Life Skill Development Program) at QCS is actively pursued to nurture the latent and potential talent training young students for challenges of tomorrow.

Skill Development

Skills are developed by pursuing well-designed Club activities - STEM & Math-e-Magic Club, Inter House Competitions, Story-telling sessions, Creative workshops and Environmental friendly initiatives.

Music Integration

Researches of Harvard, University of Southern California & North Western University validate the stimulation of better neural processing with music integration. Firmly believing in the same, QCS integrate piano lessons and prepares rhythmic learners for "Trinity College, London" certifications without imposing any extra cost.

School House System

Inter-house competitions are conducted on regular basis to foster healthy competition among the students.

Theme based activities and competitions are conducted on monthly basis to develop a sense of belongingness towards their house and their fellow house mates.

Community Outreach Programs

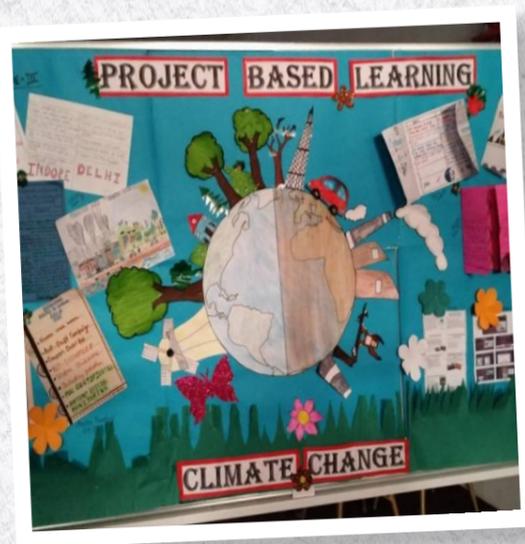

Students pursue the path of global green citizens by being ambassadors to Social and environmental projects on Climate change, AQI, e-waste management, Save soil, Van- Mahotsav & many more.

Drip Irrigation

Earth Day Celebration

Climate Change Sensitization

Global Warming

Safety and Security

Utmost priority is given to the Safety and Security by creating a safe environment for children, starting from their homes to the school and back home.

Extensive CCTV Surveillance

Health Camps organized by experienced visiting doctor.

Transportation with app based GPS tracking.

Regular Workshops on social awareness and cyber security

Disaster Response Drills conducted from time to time

Male & Female Security Staff escorts students at arrival and dispersal
