Circular-QCS/2025/190

Subject: Immediate Submission of Aadhaar Number for Generation of APAAR ID

Dear Parents

Greetings!

As per the mandatory directives of CBSE (reference circular attached), it is compulsory for every student to obtain an APAAR ID – a unique 12-digit identification number that will serve as their permanent academic record.

The Aadhaar number is a prerequisite without which the APAAR ID cannot be generated. It has been requested repeatedly through circulars, messages and PTM visits since the beginning of the session for the submission of your ward's Aadhaar ID number. It is imperative that every student submits their Aadhaar details to the school without delay, as the APAAR ID generation is from the District Education Office and the deadlines are to be complied with. Once the submission deadline is over, the school would have no way to get your ward's APAAR ID generated.

Parents whose wards do not yet possess an Aadhaar card must immediately apply for it and ensure submission of the Aadhaar number to the school office within the next 2 days, latest by Thursday, without fail. Non-compliance may hinder the creation of the APAAR ID, which is compulsory as per CBSE norms.

This matter requires your urgent attention and prompt action.

Warm Regards
