Subject: Reminder for Instrumental Music – Guitar and Piano Students

Dear Parents,

Greetings!

This is to inform you of the following important reminders for students enrolled in the Instrumental Music program:

1. Guitar Students:

Students who have opted for *Instrumental Music – Guitar* are kindly requested to bring their own guitar to the next instrumental music class to ensure effective participation in the class.

2. Piano Students:

Students who have opted for *Instrumental Music – Piano* must ensure they have the appropriate piano book as per their level, and as guided by the piano teacher.

Additionally, we request parents to kindly arrange for a **Casio/Keyboard** at home so that students can practice regularly and enhance their learning.

Kindly refer to the link for procuring Book and Keyboard : <https://tinyurl.com/4zwmsf6c>

Your continued support in your child's musical journey is deeply appreciated.

Warm Regards

Ms. Sandhya Kumaria
