Subject: Celebrating the Joy of Giving

Dear Parents

Greetings!

"We rise by lifting others." - Robert Ingersoll

Once again, QCS prepares to embrace the festive season with renewed zeal, spreading the spirit of generosity and celebration through our annual event, 'Joy of Giving', which is marked each year during Christmas and New Year.

Join us in an act of gratitude and spreading smiles. This season of light and warmth reinstates in us that true celebration lies not only in sharing gifts with our loved ones, but also in extending compassion to those who may not enjoy the same privileges. Through this endeavor, QCS reaffirms its unwavering commitment to cultivating empathy, gratitude, and a deep sense of social responsibility among our learners—instilling in them the timeless value of giving with grace and humility.
